Re: 500 Men Making a Difference Inc. Brunch at Crystal Manor

Dear Cyriac St. Vil,

I am writing in reference to the "500 Men Making a Difference Inc." brunch that took place at my catering establishment, Crystal Manor, on June 16, 2012.

The event was well attended; the energy of the gathering was positive, and we were delighted with the professionalism of the management. We were elated to see so many professional men in one place at the same time.

Professional men aged 17-65 attended the Brunch dressed in business casual attire. All requirements discussed prior to the event were met, the event began and ended on time, and the Brunch fees of \$25.00 per person were paid in full totaling \$1,000.00.

We would welcome the "500 Men Making a Difference Inc." back for another function at our establishment, Crystal Manor.

I can be contacted directly at (646) 739-8688 for any further input. We appreciate your business.

Sincerely Yours,

Kevin Johnson
President, Crystal Manor
